

## **"Care & Share Your Special Day".....**

What a wonderful opportunity to help our Foster Youth at Polinsky. You can "Care & Share Your Special Day" by honoring someone on their special day or on your special day. Simply make a donation through our website, send a check to our PO Box or have your friends and family donate new items at your party for our kids. Special Day Possibilities include birthdays, wedding anniversaries, special anniversaries, any celebrations: You are a new grandparent, memorials, a great report card, a new job, retirement, or a wonderful grateful day. The possibilities are endless. Contact us for pick up or where the items can be collected. Jeans and tennis shoes for our kids aged 8-18 are always needed and new toys, books, stuffed animals, games, art supplies, crafts, etc., are always needed and appreciated. Children of all ages enjoy bracelet and other beading activities too - a big hit for sure. We will send a recognition card to the person you are honoring in your name, informing them that a "donation" has been made in their name by you.
